Simply Refreshed

Want to feel refreshed? Let's learn together on April 14 at Grace Community Church in Auburn how to let go of our hang ups and enjoy fulfilling relationships in our lives. Join Beth Grissom, from Mt. Pisgah Academy, on a journey to become "Simply Refreshed" in Jesus Christ who sets us free.

Spring brings an awakening of new growth, a time to clean off the cob webs and closets and take away the things that are adding clutter to our homes and lives. Spring is also a time to *Simply Refresh* our hearts and minds.

Beth Grissom will share at our Spring Day Event how God will help you take the clutter out of our spiritual lives, things that we hold onto and store in our mental closets.

Come and enjoy a day of spiritual cleaning, letting go of things that are getting in our way of God's plan and fellowship with others, and leave ready to start the spring *Simply Refreshed*.
